- Ability to understand and agree with our Statement of Faith.
- Ability to integrate theological themes with worship music.
- Knowledge of both contemporary and traditional Christian music, including a variety of musical styles such as modern praise songs and ancient hymns.
- Proficiency on the piano and ability to accompany choral and congregational singing is necessary. We currently have a piano, but plan for an organ in the future.
- Ability to travel to Heathsville in the Northern Neck.

Compensation

Negotiable and commensurate with experience and qualifications.

Please note: Consideration may be given to an individual who is able to serve as an accompanist until the Music Director position is filled.
