Mike's Message

"Therefore, I will divide him a portion with the many, and he shall divide the spoil with the strong, because he poured out his soul to death and was numbered with the transgressors; yet he bore the sin of many, and makes intercession for the transgressors." Isaiah 53:12

"The people of the land have practiced extortion and committed robbery. They have oppressed the poor and needy, and have extorted from the sojourner without justice. ³⁰ And I sought for a man among them who should build up the wall and stand in the breach before me for the land, that I should not destroy it, but I found none. ³¹ Therefore I have poured out my indignation upon them. I have consumed them with the fire of my wrath. I have returned their way upon their heads, declares the Lord God." Ezekiel 22:29-31

I was once told by a member of our church that my articles in the Beacon were too long, and most people wouldn't take the time to read something more than a few paragraphs. Well, I want to be upfront and tell you that this article is longer than most others that I write. So, if you're in a hurry then put it aside until you have time to read the whole thing. If you need to grab a snack first, I'll totally understand..... Okay, Ready?

One of the first things that I started when Teresa and I came to Light of Christ was a weekly time of intercessory prayer, asking God for his blessing and anointing upon our ministry. Until the past two months we have met every Wednesday from 11 a.m. to noon. The prayer intercessor team has met from 10 a.m. to 11 a.m. and then joined with those who showed up to pray at 11. Over the years the numbers continued to dwindle from 25 down to 5-6. (Don't worry if you haven't been coming, this article isn't an attempt to make you feel bad. Keep reading.)

The problem is that there has never been more need for intercessory prayer than today. Let me define what I mean by intercessory prayer. Intercessors are often described as "*standing in the breach*" between God and a situation that needs His presence and mercy (See Ezekiel 22:29-31 above). Without a doubt there are countless situations in our fallen world that need our prayerful intercession. In the passage from Ezekiel 22, God laments that he could find no one in Israel that would "stand in the breach" making intercession for Him to stay his hand of judgment for their apostasy, so he "*poured out His indignation upon them*". In contrast we have the Isaiah 53:12 passage where the prophet foretells that the Messiah will "*pour out his soul unto death and be numbered with the transgressors*" How did he do that? "*he bore the sin of many, and makes intercession for the transgressors.*" In other words, he stood in the breach and God rewarded

Continued

him with the spoils of victory (us, those who follow Christ). Hebrews 7:25, ***“Consequently, he is able to save to the uttermost those who draw near to God through him, since he always lives to make intercession for them”*** Hebrews 7:25. Jesus continually makes intercession for us and we are to follow his example. Here are just a few scriptures that show us how we are to pray and why:

1 Timothy 2:1-2- ***“First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, ² for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way.”***

Matthew 18:19-20- ***“Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my Father in heaven.”²⁰ For where two or three are gathered in my name, there am I among them.”***

2 Corinthians 1:11- ***“You also must help us by prayer, so that many will give thanks on our behalf for the blessing granted us through the prayers of many.”***

James 5:16- ***“Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working.”***

Ephesians 6:18- ***“praying at all times in the Spirit, with all prayer and supplication. To that end, keep alert with all perseverance, making supplication for all the saints,”***

Again, I want to be honest, even though I do pray a lot, there are many things that I don't yet understand about effective intercessory prayer. However, I can see and hear very well, and I can see that there are many among us who are very ill and can hear their prayers for God's mercy. We aren't seeing much relief, but we are seeing our friends and families declining and our state and country falling apart right before our eyes.

I don't believe that God means for us to simply sit back and mourn the systematic destruction of our world by our enemy, but He is challenging us to be those who will *“stand in the breach”* before him for healing, restoration of families and appealing to God for mercy in order for Him to bring revival instead of pouring out His judgement upon this nation. I am asking you to consider whether or not God is calling you to be an intercessor at this church. We are looking for those who feel called to come together for training on how to be an intercessor. Instead of meeting as intercessors and then anyone else who shows up we will meet as one group to study, praise and worship and then put into action an effective intercessory prayer team. We should be prepared to see God work in and through us for his

glory and the strengthening of our body. If you are interested, please contact me for more information. Let me leave you with a quote that I think says it all:

“Our prayer must not be self-centered. It must arise not only because we feel our own need as a burden we must lay upon God, but also because we are so bound up in love for our fellow men that we feel their need as acutely as our own. To make intercession for men is the most powerful and practical way in which we can express our love for them” John Calvin

Blessings! Mike

Message from the Senior Warden, March, 2019

Greetings from Ophelia and prayers for our Lord's grace, mercy and peace to be yours in abundance.

The Vestry meeting Minutes from this past Thursday, February 21, will be posted on the Parish Hall bulletin board and also sent by internet email (and USPS to those without electrons) to our congregation members. Following our mail-out of the January Minutes, we've received many positive and encouraging return emails (17 individual, email responses to date) and phone calls to continue this practice... accordingly, we will continue this practice in the future.

On behalf of the Vestry, administrative staff and clerics, let me express how most appreciative we are to all the individual volunteers involved in conducting our weekly, Sunday worship experience: Acolytes, Lesson Readers, Prayer Leaders, Eucharist Ministers, Ushers, Greeters, Altar Guild and Flowers, Nursery, Counters, Altar Rail Ministers, Vestry Person on Duty, Coffee Hour Hosts, Audio/Visual Technicians, Pianist, Choir, Adult Bible Study Leaders and our church Office Manager, who handles all the scheduling. Including the Clergy, there are at least 18 jobs for 30+ people. Please include them in your prayers of thanksgiving and offer them your message of support the next time you see them.

Doris Myers, Chair of the Women's Ministries, will hold a Women's Ministry Leadership meeting at the church on Wednesday, February 27, to explore the different aspects of our women's ministries and adapting them to the growing influx of potential new members and their children.

The Vestry looks forward to continued building of the Lord's kingdom and strengthening each of us in brotherly love. Please don't hesitate to contact us with your suggestions, comments and insights on our progress.

Jeannie will be introducing her book and her work at the beginning of the service, and will be available after the service for discussion and book signing in the lobby.

Greetings from WyldLife!!

Since our last update, so much has happened in Northumberland WyldLife, it truly has been a whirlwind! In the fall, we took 18 students to the Great Wolf Lodge for WyldLife Weekend, our biggest camp trip yet! We have seen so much growth thanks to this trip! We have increased the number of kids we reach, the number of parents who are invested and advocates for our ministry, and have seen so many kids grow closer to Jesus.

To finish out the year, we hosted a WyldLife Christmas party for all of our families to attend and it was an incredible night of fellowship and seeing the faithfulness of God up close and personal. A year ago, we were trying everything to get this ministry started, and now we have a thriving monthly club, weekly campaigners, and are consistently meeting new kids. In the past six months, we have had over 30 students attend a WyldLife event. That may not seem like a lot, but at a school as small as ours it is actually over 10% of the school population! Each week we have new kids coming as the word about WyldLife spreads and these kids are getting to hear about a God who loves them and wants to know them. Thank you for your faithful support of our ministry and being a part of bringing life and hope to our community. We are so blessed to have you on our team!

Thanks to Paul and Peggy Lassanske for the reading materials and delicious homemade chicken soup. Your continued support means a great deal to me. God has not only blessed me with his healing, but with an amazing group of friends.

Scheduling of Meeting Space/Time

Please let Joyce know when you plan to have a meeting at the church and where you want to have that meeting. The dry erase wall calendar in the church office is updated and you can check the times available. Joyce will coordinate this. We most likely will not have a problem finding space to meet, but it will be very helpful to know who is coming and what to expect!

Dear Ladies,

We had our Epiphany gathering on Thursday, January 10, led by our Deacon, Mary Swann. Many ladies shared how Epiphany had been celebrated during their childhood, and this was very interesting, bringing back many good memories. There were twenty-three ladies in attendance, including visitors.

The film, "The Fourth Wise Man" was shown. This was the gripping story of one man's unstoppable search for the true meaning of life. It was a fictional story set in Biblical times, told in gently comic terms. It concerns a Magi who studies the prophecies and witnesses a sign in the heavens that he hopes will lead him and his faithful servant to the Messiah. After the film, Mary led the group in a great discussion.

Every year at this time, as we think of giving gifts, as the wise men did. Our group brought baby gifts, and contributed \$150 to the Pregnancy Resource Center of Metro Richmond. PRC is very appreciative of our generosity and support of their mission. Thanks to all of you for your faithfulness to this cause.

The leadership team is now working on plans for our Lenten fellowship, our August Retreat, and other activities. We are always happy to hear from you, please let us know if you have any ideas or suggestions for future events or activities. Enjoy the rest of whatever winter brings to us, Spring is on its way! Hope to see you at our next gathering!

Blessing or Curse, Life or Death...Choose LIFE!

On February 7th, a few of us from Light of Christ as well as friends from Fairport Baptist jumped on the opportunity to rally for life on the steps of the capitol in Richmond. Only days before, following New York Governor Cuomo's infamous lead, Governor Northam, a pediatrician, explained to an interviewer how a viable child might be allowed to die after delivery. How could we not show up and stand up against the agenda of those who not only push for the legalization of abortion of even full term babies, but now justify infanticide?

And so we joined with about 1000 others, women, children and men carrying pro-life slogans and Bible verses and listened intently, as politicians and speakers from numerous organizations informed and encouraged us in standing for the most vulnerable who have no voice, but deserve the same rights as we.

We heard from women who had had abortions and now regretted them

(www.silentnomoreawarenesscampaign.org), from former abortion clinic employees now involved with *And Then There Were None* (www.abortionworker.com).

Terry Beatley, author of "What If We've Been Wrong", spoke about her personal interview with and challenge from one of the founders of NARAL. Bernard N. Nathanson was an American medical doctor and co-founder in 1969 of the National Association for the Repeal of Abortion Laws — NARAL — later renamed National Abortion Rights Action League. Its goal was to remove the cultural stigma on abortion, eliminate all meaningful legal restraints on it, and make it as widely available as possible across the nation and, indeed, the globe. We now know that most of NARAL's goals have been reached. Later in his life, Dr. Nathanson recanted, repented and converted to Catholicism. He charged Terry to tell his story to the world. We heard from pro-life delegates and a senator who reminded us that the legislation introduced by Delegate Tran (D-Fairfax) to allow full term abortions in Virginia and the ERA amendment ratification that would be a huge blow to pro-life legislation, were only defeated by 1 vote! They encouraged all pro-life voters to show up and vote

according to their values. The Rev. Dean Nelson, Vice Chairman of the Frederick Douglass Foundation reminded attendees that racism, abortion and population control all spring from the same evil root. He quoted Frederick Douglass, "I shall feel myself discharging the duty of a true patriot; for he is a lover of his country who rebukes and does not excuse its sins. It is righteousness that exalteth a nation while sin is a reproach to any people."

My hope is that you, too, will put on the full armor of Christ, pray for the fullness and boldness of the Holy Spirit and engage in the spiritual battle raging around us! And, having done all to stand, STAND Firm! (Ephesians 6:13) That means becoming aware, involved, outspoken, supportive with your gifts and talents, and demonstrating love even when it hurts. It is by demonstrating the Grace of God to a hurting world that hearts and minds will be changed, so we must speak the Truth in Love and show continuing concern and care for mothers, children and fathers.

At the National Prayer Breakfast in 1994, Mother Teresa said: "I feel that the greatest destroyer of peace today is abortion." Her antidote was and still is:

It is not enough for us to say: "I love God," but I also have to love my neighbor. St. John says that you are a liar if you say you love God and you don't love your neighbor. How can you love God whom you do not see, if you do not love your neighbor whom you see, whom you touch, with whom you live? And so it is very important for us to realize that love, to be true, has to hurt. I must be willing to give whatever it takes not to harm other people and, in fact, to do good to them. This requires that I be willing to give until it hurts. Otherwise, there is not true love in me and I bring injustice, not peace, to those around me. It hurt Jesus to love us. We have been created in His image for greater things, to love and to be loved. We must "put on Christ" as Scripture tells us. And so, we have been created to love as He loves us.

Let this prayer, from Anglicans for Life, be yours:

*Lord God,
Thank you for creating human life in your image. Thank you for my life and the lives of those I love. Thank you for teaching us through scripture the value you place on life. Help me to uphold the sacredness of life in my church and community. Give me the strength to stand up to those forces that seek to destroy the lives of those most vulnerable, the unborn, the infirm, and the elderly. Today, I commit myself never to be silent, never to be passive, never to be forgetful of respecting life. I commit myself to protecting and defending the sacredness of life according to your will, through Christ our Lord.
Amen*

PRAY for those who do not share a pro-life perspective, for those considering abortion, and for those who are involved in the abortion industry, our nation, our leaders - that God will open eyes, work in hearts, renew minds, and destroy strongholds. Pray for a great awakening to the sanctity of human life and the dignity of every human being from the womb to the tomb. Pray that the light of Christ will shine brightly through His people in midst of progressive darkness. Lord, help us to be lightning Bolts rather than lightning bugs!

Northern Neck Christian School (NNKCS) Update

March 2019

Thank you for the overwhelming support for Northern Neck Christian School that many of you have shown since the December 9 meeting. Our Launch Team has been so encouraged by your specific offers of help. Copies of the slides from the meeting are available at the church to any who are interested. In particular, here are the areas where you can help:

- Pray or pray and fast
- Sponsor a student
- Support our Summer Internship Program
- Provide books for the library
- Volunteer/mentor in the classroom
- Provide school supplies

Ask yourself: What part can I play? What gifts can I share?

Starting a new school is a huge step of faith, and we trust that God will provide all that is needed for what He is calling us to do. God has already provided generously towards our fund-raising goal for 2019 of \$150,000. An anonymous donor has graciously given \$50,000, and we have had other pledges and contributions totaling an additional \$15,000. Would you please pray for more individuals to give and consider whether God is calling you to give?

We are particularly excited to offer a Summer Internship Program for 2019. We are planning to invite a college student to come to Heathsville this summer to help with the school and the outreach activities of the church as we continue to grow our relationship with the community. The specifics of the program are as follows.

Summer Internship Program

Objectives:

- To provide a trained resource to aid in the development of NNKCS and its teachers
- To develop a pipeline for trained teachers to work full-time at NNKCS upon graduation
- To more fully equip future teachers for vocational calling

Requirements for Interns:

- Interns must be young adults who have completed two years of college study, have interest in teaching at a Classical Christian school, and have a desire to minister in a rural area.
- Interns are to engage fully with the School Launch Team in the work of starting the school.
- Interns are to develop, lead and/or participate in the ongoing outreach programs of the church/school throughout their internship.
- Interns are encouraged to develop and multiply leaders that will continue their work once the internship is complete.
- Interns are to specifically develop training for local teachers in Classical Pedagogy with the help of School Launch Team members.
- Interns must be available from mid-May through early August.
- Interns must provide their own transportation.
- Interns must submit to a background check.

Responsibilities of School Launch Team:

- We will provide a job description and regular oversight/mentorship of the intern.
- We will pay \$3000 to the intern, in two installments.
- We will provide lodging/host home for the intern.
- We will reimburse the intern for all ministry-related expenses, including mileage.
- We will provide two evaluations, mid-summer and final, to encourage and support the intern.
- We will invite the intern to return in the summer of 2020 based on the final evaluation.

We continued to be overwhelmed by God’s grace to us in starting a new God-centered school in this area. Thank you for your continued prayers, support, and encouragement

It is time to begin signing up for coffee hour once again. There are new lists on the table in the parish hall for the next couple of months, and you are encouraged to take a moment and sign up for an upcoming Sunday fellowship.

Coffee hour plays an important role in our fellowship as a family of God, and hopefully the next couple months can be filled with willing volunteers to provide a table of simple fare to enjoy over coffee and conversation. The coffee is usually made, but if not, there are easy instructions on the inside door where the coffee is kept.
